**West CHRIE Federation on Fire!**

**WFCHRIE Scholarships: Supporting Student & Faculty Success!**

***Ignited by:***

Dr. Smita Singh, Director of Education, West CHRIE

Assistant Professor, School of Hospitality, Metropolitan State University of Denver

Did you know that WFCHRIE offers scholarship opportunities for both students and faculty to attend the WFCHRIE conference? This year, three graduate students and three faculty members received scholarships. The scholarships support registration and travel to the conference destination, enabling the recipients to travel when they may not otherwise be able to do so. WFCHRIE has been offering these scholarships for almost 10 years. We'll see you at the next conference. 🎉
