Presentation Day Information

What do I bring?

If you choose to use Canva, Prezi, Gamma, or any other presentation platform, please bring your laptop. An HDMI cable will be provided, but those with a Mac are advised to bring their own adapters.

- You will need to connect your laptop to Wi-Fi and have your presentations ready to present from your desired platform at least 10 minutes before your presentation.

If you plan to present using Keynote, please bring your laptop and an adapter for your Mac.

- You will need to connect your laptop to Wi-Fi and have your presentations ready to present from your desired platform at least 10 minutes before your presentation.

If you plan to use PowerPoint, please put your presentation on a thumb drive.

ALL presentations or hyperlinks to presentations and resources must be submitted to smithr@cookman.edu no later than June 5. These will be placed on ICHRIE'S website to align with the Pedagogy On-The-Go initiative.
